Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

VITREOUS

Web del Sol Association, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Winner of the Del Sol Press 2005 Poetry Prize, David Ray Vance's poetry collection combines science and art gloriously. Mary Jo Bang, the Prize Judge, has this to say about VITREOUS: Part rewritten 1934 medical text, part Keatsian reflection, this is the logical offspring of the long-awaited meeting of science and art; a marriage of equals where each half maintains its primary allegiance: the poetic to the common lyrical language of emotion and memory, the medical to its narrowly appropriated lexicon of intraocular, cornea, and Placido's disc. Mr. Vance has woven these two competing word streams into a meditation on sight and risk. Think of it as an item in the cupboard of the scientifically sublime. Think of Ronald Johnson's ARK. VITREOUS is utterly fascinating in its reach, and exquisitely tender. And important, because it answers again today's recurrent question, Can form be further broken and still be a poem? The answer (of course) is yes. * The Korean character for citizen is based upon the image of an eye pierced by an arrow. The citizen, thus, is one whose vision has been wounded by the state; how can we see clearly when we're in the midst, in the thick of things? David Ray Vance's startling and rewarding debut is a kind of exhibition--a virtual museum of poetic and found texts--concerned with the vulnerability of the eye, the I's aperture, the world's window, the self's permeable edge. --Mark Doty VITREOUS dazzles in the way the first pictures of the earth must have dazzled. This amazing collection exists in the vast distance between the body and the...
