Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a history of Turkey and Germany, with an emphasis on the early 20th century and World War I. From the preface: In compiling the following pages I have had access to certain sources of official information, the nature of which I am not at liberty to specify further. I have used these freely in such chapters of this book as deal with recent and contemporary events in Turkey or in Germany in connection with Turkey: the chapter, for instance, entitled Deutschland uber Allah, is based very largely on such documents. I have tried to be discriminating in their use, and have not, as far as I am aware, stated anything derived from them as a fact, for which I had not found corroborative evidence. With regard to the Armenian massacres I have drawn largely on the testimony collected by Lord Bryce, on that brought forward by Mr. Arnold J. Toynbee in his pamphlet The Murder of a Nation, and The Murderous Tyranny of the Turks, and on the pamphlet by Dr. Martin Niepage, called The Horrors of Aleppo. In the first chapter I have based the short historical survey on the contribution of Mr. D.G. Hogarth to The Balkans (Clarendon Press, 1915). The chapter called Thy Kingdom is Divided is in no respect at all an official utterance, and merely represents the individual opinions and surmises of the author. It has, however, the official basis that the Allies have pledged themselves to remove the power of the Turk from Constantinople, and to remove out of the power of the Turk the alien peoples who have too long already been subject to his murderous rule. I have,...
