# NONMETALS (MATERIAL MATTERS)

Raintree, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: What matters most here is that important science information gets across to your reluctant readers. With plenty of white space, subheads, and large images, this high-low series effectively motivates them to learn more. Weird and wonderful examples that relate directly to readers' lives are especially appealing, while a simple and manageable style makes these books approachable. Each title is structured into chapters with different...
