FAILING DOESN T MEAN YOU RE A FAILURE

Xulon Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. YOU CANNOT SUCCEED UNTIL YOU ARE NOT AFRAID TO FAIL As I read through Brad s book I found that we had a lot of similarities in life. But the one similarity that stuck out for me is the story of the death of Brad s dad. My dad was bigger than life and the day he died things seemed to stand still. My life and the lives of all our family and friends would never be the same. We had two choices. We could either quit or carry on with even more drive than before. This book is not so much a book about failing as we will all fail from time to time. But this book is about getting back up when you have been knocked down. It doesn t matter how many times you have been knocked down as long as you keep getting up. This book shows that God orchestrates every day of your life. I hope you will be encouraged to do more and be more after reading this book. Kelley Earnhardt Miller Vice President, General Manager JR Motorsports This book is Brad Henry s true life stories. There have been so many failures in Brad s life that many people will be able to relate to this book. To be sure there are some success stories mixed in but the true character of a person is not defined when everything is going great. It is defined when everything seems hopeless and when you have nowhere to go. If you have ever felt this way then this book is for you. This book will give you hope again to dream. Brad Henry is Dyslexic and Has...
