International bestselling author Doreen Virtue is a doctor of psychology and lifelong clairvoyant who has written extensively about angels, psychic development and mind-body-spirit topics. Now three of her most popular books are collected in this single volume: In Angel Therapy, Doreen delivers the angelic realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion and anger; and issues associated with careers, relationships, parenting and much more. Allow the angels words to heal your thoughts and beliefs, transforming them into empowering and loving viewpoints. In Healing with the Angels, Doreen teaches esoteric and practical methods that can help you work more closely with your angels. You'll read transcripts of Doreen's angel-reading sessions and learn what the angels have to say about life after death, the future of our planet and finding your Divine purpose. Also included is an exploration of the fascinating world of elementals and nature angels, as well as powerful angel affirmations and prayers for healing and manifesting. Archangels Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish and Christian roots. Doreen carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems and how to call upon each one. The Essential Doreen Virtue Collection is the perfect read for anyone who is looking to learn more about the angels and spirituality, as well as for those who want to finally have their favorite Doreen books together in one handy volume!.
