Except that he does not want to become a lawyer, has a family history of lunacy and has actually fallen in love. Vyas, Ankurs roommate and best friend, has no such problem only a girlfriend who emerges from the graveyard of all places and insists on visiting him in the boys hostel. Add to it, a Malayali friend whose car never starts and vocal chords never stop, a law festival that is not completely legal and an arranged marriage which is more deranged than arranged.
