

Finnish Grammar (Hardback)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FINNISH GRAMMAR (HARDBACK)

Read Books, United Kingdom, 2008. Hardback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.FINNISH GRAMMAR by CLEMENS NIEMI. PREFACE: In preparing this book my aim has not been to write a complete Finnish grammar. I have sought to present only the fundamental principles in the briefest possible way necessary for the study of the Finnish language. The student should thoroughly master the sound values of each letter before taking any advanced steps. In doing so he is able to acquire accuracy in pronunciation. It should be remembered that Finnish, as its cognate Finno-Ugric languages, is an agglutinative language., that is to say, the words are formed of roots by adding certain suffixes or endings to the stem. In this process of appending, the changes of letters for euphony or harmony occur. The rules for these changes should be carefully observed in connection with each lesson as they come. Each lesson consists of a statement of grammatical principles, a vocabulary, exercises, and in some cases, a brief reading lesson. The vocabulary at the head of the lesson will help the student to understand the sentences which follow. The exercises have been developed in such a way that each lesson brings out the grammatical principles at hand. The rules of syntax as well as grammatical questions have been scattered throughout a long series of lessons for the purpose of leading the student gradually to a thorough understanding of the rules. The case-endings and the use of the cases are particularly emphasized, as they form a very difficult and essential part in the study of the Finnish language. The reading lessons are so arranged as to give an early acquaintance with real Finnish, and they continually add new -...
