Confessions of an Ayahuasca Skeptic: Finding Enlightenment in Iquitos, Peru

By D W Walker

Dagmatic Publishing, United States, 2014. Paperback. Book Condition: New. 224 x 107 mm. Language: English . Brand New Book ***** Print on Demand *****.When I first arrived in Iquitos, Peru in July 2012 I did not know what day it was, but within hours of my arrival I had heard much about ayahuasca, an Amazonian jungle vine that, boiled with other jungle plants, causes hallucinations, what people referred to as visions that change people's lives, often, they said, for the better, if not for the Good. I was curious, but skeptical. What is this concoction of vines and leaves? What does it really do to the mind and body? Is it truly the miracle cure for the mostly spiritual ills of Modern man? I had to find out for myself, and I did so by looking into the history of the plants involved, the science of it all, the traditional and the modern religious aspects of the ceremonies one partakes in, the Ayahuasca Ceremonies conducted by a curandero, the medicine man who guides the ayahuasca user's journey into the unknown realm of plant spirits. I asked private people about ayahuasca, recording their accounts, noted accounts of professional writers...
