Brand New Book ***** Print on Demand *****.Excerpt from Proceedings of the South London Entomological Natural History Society: 1908-9, With Four Plates In presenting the Thirty-seventh Annual Report, the Council has pleasure in stating that the affairs of the South London Entomological and Natural History Society still continue in a satisfactory condition. During the year eight new Members have been elected, while eight names have been taken from the list. Of these five have been removed by death, and there have been three resignations. The Membership thus stands as follows: 2 Honorary, 5 Life, 31 Country, and 130 Ordinary Members, making a total of 168. As will be evident from the Treasurers Report and Balance Sheet, our finances continue in the satisfactory position that has marked them throughout the long term of Mr. T. W. Halls judicious management. The Meetings have been well attended, and Mr. Dennis, the Recorder, reports that there has been an average attendance of thirty-two Members at the twenty-three meetings held. At the Special Exhibition Meeting in November last seventy-nine Members and friends attended. As in previous years, the Society is much indebted to Mr. F. Noad Clark for his skilful working of the lantern, which has been in use on various occasions. Mr. West, the Hon. Curator, reports as follows: With regard to the Collections, I have been fortunate in the number of contributions received for the Cabinets. The Macro-Lepidoptera is now fairly represented, but a few species are still required to make the series complete. A list will shortly appear on the notice-board showing our present requirements.
