By Jawanza Kunjufu

African American Images. Paperback. Book Condition: new. BRAND NEW, Satan, I'm Taking Back My Health!, Jawanza Kunjufu, This unique look at health care interprets scriptures of the bible and adapts and applies the wisdom found there to modern ways of life. These scriptures teach that the prevention of diseases is not in the hands of doctors, but rather in what individuals eat and how they live. Health-minded Americans will learn how to avoid the disease-causing preservatives, growth hormones, and pesticides of the meat and dairy industries that pollute the once-fresh foods that the public consumes. Also included is an in-depth discussion of Satan's influence on the advertising and how it is linked to drug, cigarette, and alcohol addictions among the American people.
