Vintage, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Dazzling. . . . Banville is, without question, one of the great living masters of English-language prose. The Infinities is a dazzling example of that mastery." - Los Angeles Times "Unforgettable, beautifully written. . . . Banville is frequently compared to such masters as Beckett and Nabokov, and for years his books have been among the most haunting, beautiful and downright strange in contemporary literature. . . . If Banville is capable of writing an unmemorable sentence, he has successfully concealed the evidence." - The Washington Post "If The Infinities has the bones of a novel of ideas, it's fleshed out and robed as a novel of sensibility and style. . . . Sumptuous." - The New York Times Book Review "Ingenious. . . . [The Infinities deals with] mortality, creativity, and the possibility of making something truly new in a world that seems increasingly exhausted morally, politically, and spiritually." - The New Yorker "Entrancing. . . . Banville achieves real depth in this alternately grave and bawdy exploration of the nature of time, the legacy of grief, and the costs and sources of inspiration." - San Francisco Chronicle "Seamlessly sophisticated fiction. . . . [Banville's] agility is abundantly evident. . . . It takes expert writerly effort to toss each little thunderbolt with such seeming ease." - The New York Times "Mesmerizing. . . . The Infinities is rife with mischief, as well as godly/authorial omniscience, irony and wordplay, but what warms and anchors it is its humanity." - The Miami Herald "Intriguing, complex, and ultimately elusive, The Infinities manages, through divine sleight of mind, to bring glimmers of possibility to its dark characters: as such, it is a novel for our...
