Until then, stuck in his children's home in Castle Dudbury New Town, with the nasty cook Mr Wilkins watching his every move, football had been his only escape. But soon things start happening around him that Johnny doesn't understand: why is his mother, who is on life support in a hospital for the criminally insane, being guarded by sinister looking men? And why was a journalist murdered shortly after Johnny talked to him? When Johnny finds out he has a sister, he decides to run away to find her.
