Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

HORATORES PACIS

Kalden-Consulting Dez 2014, 2014. Buch. Book Condition: Neu. 210x148x8 mm. This item is printed on demand - Print on Demand Neuware - On August 6th 1945 the first time in history a nuclear weapon had been used outside a test area and was dropped on a major town. Suddenly a single plane with a single bomb was able to erase a whole city. Within a moment around 80,000 people died in the atomic inferno - by the end of the year, injury and radiation brought the total number of deaths to 140,000. When in 1947 on the occasion of the first Peace Festival near Ground Zero, the mayor of Hiroshima, Shinzo Hamai, raised his voice to commemorate the dead; he invented a tradition of Peace Declarations, delivered each year by the acting mayor. These mayors became horatores pacis: reminding and warning speakers for peace. 140 pp. Englisch.
