

In the Land of the Jaguar: South America and Its People

By Gena Kinton Gorrell, Andrej Krystoforski

Tundra Books. Hardback. Book Condition: new. BRAND NEW, In the Land of the Jaguar: South America and Its People, Gena Kinton Gorrell, Andrej Krystoforski, South America's story is as varied as its geography of soaring mountains, scorching deserts, and lush rainforests. In Ecuador alone, there are 25,000 kinds of plants, 1,500 species of birds, 4,500 different butterflies, and 300 mammals! Gena K. Gorrell's brilliant text combines an often tragic history with the problems and triumphs of the present. The information she offers ranges from "the Requirement" (a document read out by the conquistadors each time they came upon a new group of indigenous people to justify their actions) to drug cartels, from the hidden and secretive Elders (a civilization that retreated to the mountains to preserve its customs and now considers itself the "guardian of the world") to Gabriel Garcia Marquez. Replete with Andrej Krystoforski's vibrant illustrations, maps, an index, and bibliography, In the Land of the Jaguar: South America and Its People is a fascinating, colorful journey of exploration and discovery.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Elenor Koch PhD**

This publication will be worth purchasing. It is writter in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be he best publication for at any time.
